**THIS SECTION SHOULD BE COMPLETED AFTER THE EXCHANGE VISIT.**

If you are a student who visited the exchange community, please complete the following questions

**PROGRAM FEEDBACK**

***Orientation***

List some of the things you learned from your orientation. Your orientation would include any meetings you had with your teacher that was to prepare you for the urban/rural exchange; work in class with the Sister School lessons; field trips; etc.

Describe how the orientation prepared you for your exchange experience?

***Village Stay***

If you stayed with a host family during the exchange, please tell us about your host family experience.

***Activities***

What kind of activities did you do during your exchange visit?

***Individuals***

Did you strike up friendships during your visit? If so, please describe whom you became friends with and tell us how these friendships affected your visit?

***Group***

Did you make friends with your fellow group members? How did these friendships affect your visit?

***Other Learning***

List some of the things you learned about your exchange community that you did not know before you arrived. (Think about: education-schools; subsistence-how people get the food they eat; health-how and what kind of medical services are unavailable; and governance-ruling or controlling organizations and systems in the community)

***Final Thoughts***

What will you remember and value most about your exchange visit?
